About our Company

Feature: Daytona 500 Winner's Weekend - NASCAR / FOX Sports One

ASpark Creative is a Pacific Northwest-based creative services agency specializing in high-quality video production, on-location photography and digital media deliverables for government, corporate and nonprofit clients.

Core Competencies

- Pre-production through post-production services.
- Still photography for events, operational documentation, behind-the-scenes and website content.
- Multi-platform delivery: long-form (documentary, broadcast) and short-form (social, mobile) content creation.
- Content consulting, workflow design, and digital asset management — helping clients structure media libraries and optimize for multiplatform distribution.
- Expertise in narrative storytelling for organizations: testimonials, training videos, brand films, and live event

Training Video: Own the Moment - U.S. Dept of Veterans Affairs

Differentiators

- 01** Turn-key production capability – We deliver complete end-to-end media solutions (pre-production, shooting, post-production, delivery) under one roof, reducing coordination overhead for subcontractors and government agencies.
- 02** Video Production, Digital roll-out campaign, ROI analytics and Social Media Management under one roof.
- 03** Time-to-delivery advantage – With streamlined workflows and a dedicated in-house team, we typically deliver social-media ready versions of video in **0-7 business days** (depending on platform and content) from final shoot, enabling faster deployment of content.
- 04** Multi-platform expertise – Our deliverables are optimized for broadcast, web, mobile, and social channels, ensuring broader reach and reuse value for government clients.
